GOVERNMENT'S NOTICE OF INTENT TO USE VIDEO AND AUDIO RECORDINGS

The United States, acting by and through the undersigned Assistant United States Attorney for the Northern District of Texas, files this Notice of Intent to Introduce Video and Audio Recordings as evidence in the trial of this cause pursuant to the Court's Scheduling Order and would show the Court the following:

The Government intends to use the following against defendant at trial:

1. **Video files of child pornography**

The government intends to introduce into evidence the two video files of child pornography charged in the indictment. The first charged video with the file name beginning with "(PTHC) babyshivid," is approximately 1 minute and 36 seconds long. The audio portion primarily involves the sound of water and a child crying. At the very end of the video the male says, "All right, sit down."

The second charged video with the file name beginning with "!!!NEW" is approximately 36 seconds long and has no audio.

2. **Recorded phone conversation with Defendant Anderson**

Fort Worth Police Officer Randy Watkins recorded his phone conversation with Richard Anderson, which occurred on or about September 28, 2012. The call lasts approximately 5 minutes.

The government will transcribe the phone conversation and make that transcript as well as the child pornography video files available to the defense to review.

Respectfully submitted,
